Dear Colleague,

I take up this opportunity to inform you that IMA AKN Sinha Institute is conducting several Post Graduate Certificate Courses in order to update the knowledge and skills of practising physicians.

This Institute has engaged itself in planning preparing and marketing the distance learning programmes in the field of **Family Planning, Lactation Management, Torture Medicine, Adolescent Health, Paediatrics, HIV/AIDS & STDs Management, T.B. & Chest Diseases, Geriatric Medicine, Environmental & Occupational Health, Reproductive & Child Health, Psychiatry & Psycho-sexual Medicine, Medical Negligence & CPA, Clinical Diabetes, Clinical Cardiology, Rheumatology and Radiology.** These courses are very useful for practising physicians and have been very subsidized.

This Institute has recently added following three Certificate Courses :-

1. **Basic Emergency Life Saving Skills (BELSS)**
2. **Competency Development in Depression Management for Doctors**
3. **Hyperbaric Medicine**

The Certificate Course in BELSS is classroom practical training at Patna and at various IMA Branches. The Certificate Course in Competency Development in Depression Management for Doctors and Certificate Course in Hyperbaric Medicine are E-learning courses.

Sir, you will realize that these courses cover a wide range of topics and one very popular among practising doctors. Infact, they are heavily subsidized for the benefit of profession. IMA AKN Sinha Institute is in a continuous process of updating its courses.

I am enclosing herewith an advertisement of these courses alongwith the Application Form for enrollment. I request you to kindly go through this announcement and apply for courses to update your medical knowledge.
