From the pen of National President, IMA

My Dear Seniors and Colleagues,

May your Dussehra be victorious and your Diwali shine with prosperity and joy!

I am pleased to report that our "Aao Gaon Chalen" project is progressing successfully. IMA HQs is sincerely grateful to our Branches for their unwavering support in this transformative initiative. So far, we have adopted almost 1145 villages, and I would like to once again request each and every one of you to consider adopting at least one village within your jurisdiction.

I am pleased to inform you that I attended the High-Level Meeting on "Swasthya Chintan Shivir" conducted by the Union Health Minister for Health & Family Welfare in Dehradun, Uttarakhand in the month of July where all the Health Ministers and Secretaries from states participated and spoke on several health related issues in their respective states. I had been invited to speak especially on National Tuberculosis Elimination Programme; Immunisation System in India; Medical Nursing and Allied Health Education; National Transplant Programme and District Residency Programme. During the meeting I stressed the surgery may be allowed only at CHC or above level. I cautioned against the involvement of "Quacks" in the Healthcare Sector. I also informed the house that IMA has launched Aao Gaon Chalen project through our 1700+ branches across the country. These branches have been advised to adopt at least one village for health services. This initiative may also be shared with CMO/DMs for their active involvement I appealed for synchronised coordinated work among IMA, Government, NGO for optimum output in Healthcare sector.

Further, I emphasised the need to increase the notification of TB Patients at the community level particularly those who have not completed their treatment plant. I also emphasised that atleast one nursing college should be opened at district level for the huge attrition rate of nursing students due to the quality of nursing education and number of nursing colleges in India.

We extend our heartfelt appreciation to the Hon'ble Health Minister, Shri Mansukh Mandaviya Ji, for his swift and active response to IMA's requests. His intervention has led to the suspension of NMC's new guidelines on Generic Medicine and Sponsored CMEs, and he has also accepted IMA's advice to reduce the NEET PG cut-off to 30 percentiles.

On the 28th of September 2023, I had an engaging discussion at the "National Conclave of Medical Educators and the LAUNCH of the Association of Medical Educators of India," hosted by the Datta Meghe Institute of Medical Sciences (Deemed to be University), Nagpur, Maharashtra.

On 30th September, I inaugurated the New IMA Blood Bank Block of IMA Kanpur Branch on the Eve of "National Blood Donation Day" and the team of Kanpur IMA Branch was emphasised to Donate Blood and percolate the information to others.

In the month of October, we have commenced work on the reconstruction of the new IMA Building, which involves the demolition of the existing structure. This redevelopment is aimed at having the new Multistorey Modernized IMA Building ready by 2028. This will enable us to celebrate the centenary year function in 2028 in this state-of-the-art facility. We are currently in discussions with NBCC and various other relevant authorities to ensure the success of this project.

From the 2nd of October to the 7th of October, I, as a Council Member of WMA, along with the Honorary Secretary General, participated in a high-level meeting and engaged in discussions with leaders from various countries across the world during the World Medical Association's General Assembly Meeting held in Kigali, Rwanda. In these interactive sessions, we shared thoughts and ideas to enhance the global Healthcare Ecosystem. We also discussed the state of Primary Healthcare in India for its betterment.

During the WMA General Assembly Meeting, we attended the CMAAO Luncheon Meeting, where we discussed topics related to immunization and various other health-related issues.

On the 15th of October, I had the privilege of attending the 2nd State Level Refresher Course & CME Programme hosted by IMA Lucknow. Eminent speakers and renowned medical practitioners shared insights on various vital healthcare topics. I inaugurated the State-of-the-Art Blood Bank and Comfortable Guest House in IMA Lucknow Branch. Furthermore, I also attended the Installation Ceremony of IMA-HBI Lucknow Unit.

On intervention of IMA, General Insurance Council (GI Council) on behalf of the insurance industry hold a meeting in Mumbai on 18th October 2023 and took the initiative to expand the Cashless Treatment Facilities to all insured patients. This meeting was attended by me along with Dr. R V Asokan, National President (Elect) and Dr. A K Ravikumar, Chairman, IMA-HBI where we have raised issues regarding problems being faced by doctors and asked them to create a single window contact to meet out the various issues of our doctors and unilateral deduction should not be done by GI Council. Payment should be taken on the agreed terms. It was further emphasised that hospital should be categorised in accordance with the treatment facilities of doctors. GI Council requested IMA to participate in the activities of the council in more & more numbers. The industry seeks the cooperation of hospitals in facilitating insured individuals to access this cashless facility. The GI Council aims to engage in discussions with the Provider Community to understand and address any concerns they may have in this regard. They have requested IMA to actively participate in this initiative.

From 26th to 28th October 2023 I have attended Annual IMA-AMS National Conference (AMSCON-2023) at Kozhikode (Calicut), Kerala for Inaugural Function and the prestigious Convocation Ceremony as the Chief Guest.

This is to also inform you that IMA Andhra Pradesh State Branch is organizing "IMA National Games-2023" from 22nd-26th November, 2023 at Vijayawada, Andhra Pradesh. To promote the registration for the games, you are requested to kindly percolate this information to all the Members of IMA as well as the Medical Practitioners to promote the joyful and stressful life of a doctor. To register kindly visit the <https://www.doctorsolympiad.com/register>

IMA is cordially inviting all the Medical Practitioners to join the Indian Medical Association through our membership program. Your participation will not only enrich your professional journey but also empower you to collectively shape the future of healthcare in our nation, advocate for doctors' rights, and enhance the quality of patient care. Your expertise is invaluable, and together, we can make a meaningful impact on the medical community and the well-being of our patients. Join IMA today and be a part of this transformative journey towards a healthier and stronger India.

This is to also note that National IMA is organising its All India Medical Conference at Kovalam, Kerala from 26th to 28th December 2023. The All India Medical Conference contains the CME, Lectures, Conferences, Seminars, Webinars etc. and also speeches by eminent speakers from across the country. I as National President of IMA is requesting to kindly register yourself for this ensuing event and participate in a large number. To register kindly visit <https://www.imanational2023.com/welcome.php>

Your dedication is truly commendable and serves as an inspiration to all. I am requesting you, follow our social media handle to show our strength and solidarity to the Government as well as the nation.

- YouTube: <https://www.youtube.com/@indianmedicalassociationhq7864>

I anticipate having your unwavering assistance and support in all of our endeavours.

United we stand divided we fall.

Long Live IMA!

Dr. Sharad Kumar Agarwal

National President, IMA

My Dear family members of IMA

Greetings from IMA HQs, Diwali Greetings and Happy and Prosperous New Year in advance!

It is with great pleasure that we announce a significant milestone in the illustrious career of our Leaders of Leaders and Chief Patron, Dr. Ketan Desai Sir. I am proud to inform you that Dr Ketan Desai Sir has been accorded the prestigious honor of being inducted as a member of the Tirumala Tirupati Devasthanams. This honorary membership reflects not only Dr. Desai's exceptional leadership within our medical community but also the dedication to service and the unwavering commitment to making a positive impact on the lives of those we serve. Being part of the Tirumala Tirupati Devasthanams allows Dr. Desai the unique opportunity to extend their service to a wider community and to promote healthcare awareness within a spiritually significant institution. We believe that this development serves as a testament to the excellence and integrity of our members, reinforcing the integral role that the Indian Medical Association plays within our society.

Please join us in congratulating Dr. Ketan Desai Sir for this well-deserved recognition, and we look forward to witnessing the positive impact this collaboration will undoubtedly have on our community

The Undersigned alongwith National President, IMA, represented IMA at WMA General Assembly, 4 - 7 October 2023, Kigali, Rwanda where we participated in various discussions of importance.

As you all know that IMA Aao Gaon Chalen Project was relaunched on 25th June, 2023 all over the country by our Chief Patron Dr. Ketan Desai Sir. In this regard, I request all of you to adopt at least one village and conduct various activities on a regular basis under this project. You are also requested to send a village adoption activity report alongwith photographs to IMA HQs. so that a compiled document can be created. The Awards for this noble cause will be given by IMA HQs. either after the completion of one year on 24th June 2024 or on the occasion of Doctors Day next year.

Though IMA had conducted Organ Donation Awareness Camp in the month of August, 2023, to continue it further I request all of you to create awareness about organ donation and motivate the donors to donate their organs after their death to save more lives.

This is to inform you that since 2015, various resolutions were passed to rebuild the Existing Building of IMA HQs.as the strength of the building is not up to the mark. Based on the discussions which took place in various CWCs/CCs, it was decided to re-construct the existing building of IMA HQs situated at New Delhi with a state of art convention centre and with all latest facilities. The Headquarters' building belongs to all of us and to re-build the existing building, we will need financial support from leaders, individuals and all state and local branches. I request all of you to donate generously for our own cause.

Doctors work hard to care for their patients, and it's important for them to find a balance between their professional and personal lives. To take this thought further, I am happy to note that IMA A.P. State Branch is organizing IMA National Games-2023 from 22nd-26th November, 2023 at Vijayawada. I am sure, participating in activities like Olympiads and spending time with family and friends can help them relax and recharge.

In our roles as healthcare professionals, we must also appreciate the cultural significance of festivals like Navratri and Durga Puja. Navratri, celebrated in Gujarat, is a time when people gather for the colorful Garba and Dandiya Raas dances, fasting, and the creation of intricate Rangoli decorations in devotion to the Hindu Goddess Durga. This period combines spiritual reflection with vibrant celebration. Similarly, Durga Puja, prominent in West Bengal, commemorates the Goddess Durga's victory over Mahishasura, marked by elaborate decorations, processions, and rituals, concluding with the symbolic immersion of Durga idols. It is essential to understand these cultural traditions, as they are integral to the well-being of our patients and our role as healthcare providers. Heartiest Congratulations to all my fellow colleagues on these two spiritual festivals.

As we approach the festival of Diwali, I would like to take a moment to extend my warm wishes to all of you and your families. Diwali, the festival of lights, is a time for celebration, reflection, and unity. It is a joyous occasion that brings people together from diverse backgrounds and beliefs, but as healthcare professionals, we must also consider the health and well-being of our fellow citizens during this festive season. Diwali is traditionally celebrated with the lighting of lamps, bursting of fireworks, and the exchange of sweets and gifts. While these customs hold deep cultural and emotional significance, it is crucial for us to emphasize the importance of health and safety, especially given the potential health risks associated with some of these activities. Let's remember our duty as healthcare professionals. While celebrating the festival, let's advocate for:

- Eco-friendly celebrations: Encourage alternatives to fireworks to reduce air pollution.
- Moderation: Promote a balanced diet to prevent overindulgence in festive treats.
- Safety: Emphasize safety measures to prevent accidents during celebrations

May this season be filled with warmth and togetherness, spreading happiness to all.

Dr Anilkumar J. Nayak

Hony. Secretary General, IMA^{ive} IMA

**PRESS RELEASE****PRESIDENT, WORLD FEDERATION FOR MEDICAL EDUCATION (WFME) VISITS IMA HEADQUARTERS**

Dr. Ricardo, President, World Federation for Medical Education accompanied by his wife Dr. Maria Elena, Dr. Russell D'Souza Dr. Russell Franco D'Souza Head and Chair Department of Education International Program International Chair in Bioethics, Melbourne Australia, and Dr. Vedprakash Mishra, Pro-Chancellor, DattaMeghe Institute of Higher Education & Research (Deemed to be University), Nagpur visited IMA headquarters today dated 26th September, 2023.

In an wide ranging interactive discussion with the National office bearers of IMA led by its President Dr. Sharad Kumar Agrawal in the presence of Honorary Secretary General Dr. Anilkumar J. Nayak, Dr. Shitij Bali, HFS and Past President, IMA Dr. Vinay Aggarwal. Dr. Ricardo recorded his sincere appreciation for the immaculate work being dispensed by IMA in the interest of the medical profession as well as medical education in a consistent manner with immaculate zeal and commitment.

Dr. Sharad Agrawal profusely thanked World Federation for Medical Education led by Dr. Ricardo for granting recognition to the National Medical Commission, New Delhi, as a result of which, 706 medical colleges geographically located in India stand accredited by the World Federation for Medical Education and thereby would get included in the Directory of Medical Colleges of World Health Organization. This recognition is for a period of 10 years prospectively and every new medical college that shall be created in India during the said period would be taken as accredited by the World Federation for Medical Education and resultantly would find entry in the said Directory of Medical Schools.

National President, IMA Dr. Sharad Kumar Agarwal elaborated that this achievement was exclusively possible because of the astute visionary stewardship of our dynamic leader Dr. Ketan Desai the Former National President of IMA, Medical Council of India and World Medical Association, who vested the responsibility of structuring the competency based medical education model to the Academic Council of the then Medical Council of India under the Chairmanship of Dr. Vedprakash Mishra which not only structured the said model in terms of the guidelines prescribed by the World Federation for Medical Education but also evolved AETCOM (Attitude, Ethics and Communication Model) incorporated in the curriculum which made it at par with international standards. The contribution of Dr. Russell D'Souza in shaping the AETCOM Module with Dr. Mishra was also appreciated.

It is the launch of said competency based undergraduate medical education model incorporating AETCOM Model therein from academic session 2019-20 across India whereby the 1st CBME batch of Medical Graduates would come out in November, 2023 upon clearing their final MBBS Examination that the recognition of World Federation for Medical Education stands accorded.

Indeed, it is not only a dream come true in terms of a very lofty recognition to Indian Medical Education but it has also made Indian Medical Education stand tall for its genuine patronage to invocation of quality centric incorporations in medical education so as to gain Global parity which stands validated by the recognition extended by World Federation for Medical Education. The endeavor of IMA on this vital count is continual so as to ensure that the dream of the Hon'ble Prime Minister Shri Narendra Modi of making India emerge as 'Vishwaguru' in the real sense materializes primarily through the aegis of Indian Medical Education of Global standards. Dr. Anilkumar J. Nayak, Honorary Secretary General proposed a formal vote of thanks.

(Dr. Munish Prabhakar)
Honorary Joint Secretary, IMA

28.09.2023

**REQUEST TO REGISTER IN IMA NATIONAL GAMES-2023
FROM 22ND-26TH NOVEMBER, 2023 AT VIJAYAWADA**

To,
The Presidents and Hony. State Secretaries
All State Branches of IMA

Dear Sir/Madam,

This is to inform you that IMA A.P. State Branch is organizing IMA National Games-2023 from 22nd-26th November, 2023 at Vijayawada, A.P.

In this regard, please find attached herewith the following :-

1. Single page Flyer with registration link for the games
2. A brochure about the IMA National Games
3. One minute promotional video

To promote the registration for the games, you are requested to kindly percolate this information to the Presidents and Hony. Secretaries of your local branches alongwith members of your State Branch.

Dr. Anil Kumar J. Nayak, HSG, IMA

The flyer is a promotional graphic for the IMA National Sports Meet 2023. At the top, it features the IMA logo on the left, the central title 'DOCTORS OLYMPIAD 2023' flanked by two elephants, and the 'DOCTORS SPORTS ACADEMY' logo on the right. Below the title, it specifies the event as 'IMA NATIONAL SPORTS MEET' held from 'NOV 22ND - 26TH, 2023' in 'VIJAYAWADA, ANDHRA PRADESH'. The flyer highlights several key features: a 'CRICKET CHAMPIONS' tournament with a prize money of ₹1,00,000, a 'WIN BULLET' promotion where a player can win a Royal Enfield motorcycle, and an 'EARLY BIRD OFFER TILL SEP 30th' with a 'REGISTER NOW' button. It also mentions 'LOTS OF FUN AND FELLOWSHIP WITH CULTURAL NIGHTS' and 'LET'S SHOW THE UNITY OF IMA AND OUR FRATERNITY'. Two portraits of officials, Dr. Ketan Desai (Chief Patron) and Dr. Sharad K. Agrawal (Hony. Medical Association), are included. A QR code is provided for registration. At the bottom, a grid lists 24 games and 85 disciplines: Cricket, Carrom, Rowing, Volley Ball, Chess, Kho Kho, Basketball, Thug of War, Marathon, Roller Skating, Fencing, Walkathon, Football, Cyclothon, Kabaddi, Archery, Shooting, Table Tennis, Lawn Tennis, Badminton, Basket Ball, Swimming, Athletics, Jumps, and Throw. The website 'WWW.DOCTORSOLYMPIAD.COM' is listed at the very bottom.

**Record of Discussions
OF THE
15th CONFERENCE OF CENTRAL COUNCIL
OF HEALTH AND FAMILY WELFARE
("SWASTHYA CHINTAN SHIVIR")
at
DEHRADUN, UTTRAKHAND
14-15th JULY, 2023**

8. Thematic Session III: Ayushman Bhav Campaign, Public Health Management Cadre (PHMC).

- Chair: Hon'ble Union Minister for Health & Family Welfare, Dr. Mansukh Mandaviya
- Vice Chair: Hon'ble Minister of State for Health & Family Welfare, Prof. S.P. Singh Baghel.
- Session Chair: Hon'ble Chief Minister & Health Minister, Sikkim, Shri Prem Singh Tamang;
- Session Co-Chair: Hon'ble Health Minister of Karnataka, Shri Dinesh Gundu Rao; Hon'ble Deputy CM & Minister of HFW & ME of Uttar Pradesh, Shri Brajesh Pathak.

8.2.6. President, IMA, Dr. Sharad K.R. Agarwal observed that considering protocols and procedures associated, surgery may be allowed only at CHC or above level. He also cautioned against the involvement of Jhola Chaap Doctors/Quacks in the Healthcare Sector. He informed that IMA has launched "Aao Gaon Chale" project through their 1700 Branches. The Branches have been advised to adopt at-least one village for health services. This initiative may also be shared with CMO/District Magistrates for their active involvement. He appealed for synchronised coordinated work among IMA, Govt., NGO for optimum output in health sector.

13

9. Thematic Session IV: National Tuberculosis Elimination Programme, Elimination of Measles and Rubella & PCPNDT Act

9.2.11. President, IMA, Dr. Sharad Agarwal emphasized the need to increase the notification of Tuberculosis (TB) patients at the community level, particularly focusing on those who have not completed their treatment plan. He pointed out that this crucial data (completed treatment) was not presented during the session and it is essential as patients who do not complete their treatment may develop Drug Resistant TB, which

19

10. Thematic Session V: Medical, Nursing & Allied Health Education, National Organ Transplant Programme and District Residency Programme

10.2.7. President, IMA, Dr. Sharad K.R. Agarwal mentioned that there is a huge attrition rate of nursing students due to quality of nursing education and number of nursing colleges in India. At least one college at District level may be opened and IMA is ready to

Vemuri S Murthy, MD, MS, FAHA, FICS

The Highest Humanitarian Service is Life-saving Emergency Help, how trivial it might be, offered to a person desperately fighting for life.

Vemuri S Murthy, MD

Dr. Vemuri S Murthy is an Alumnus of Guntur Medical College, Andhra Pradesh, All India Institute of Medical Sciences, New Delhi, India (General Surgery) and Rush University, Chicago, USA (Anesthesiology). A US Anesthesiologist for over three decades, he is currently an adjunct Faculty in Emergency Medicine @ the University of Illinois College Medicine, Chicago, involved with Indo-US Resuscitation Projects.

Hailed as a "Pioneer of Resuscitation Medicine in India," Dr. Murthy initiated mandatory resuscitation curriculum model at NTR University of Health Sciences in Andhra Pradesh in 2012. He is affiliated with the American Heart Association (AHA) for more than three decades having served in various capacities such as a member of the AHA International Committee, National and International teaching faculty. He is the Founder (2012) of the Chicago Medical Society's community CPR project, "Saving More Illinois Lives through Education" (SMILE) and authored Indo-US multi-lingual community CPR educational materials endorsed by the Chicago Indian Consulate.

Dr. Murthy is a Visiting Professor to Indian Medical Institutes such as All India Institute of Medical Sciences (AIIMS, Mangalagiri), chaired International Resuscitation Conferences and has published Resuscitation articles and book chapters. His Indo-US collaborated research work includes a ground-breaking "Cardiac Arrest Registry". He is the Honorary Advisor to the Odisha State Government (Health and Family Welfare) guiding statewide CPR projects.

Dr. Murthy, a past President of the Chicago Medical Society and Indian American Medical Association (Illinois) is the recipient of several prestigious national and international awards including a Medal of US Congress and two Lifetime Achievement Awards in recognition of his Indo-US contributions to Teaching, Training and Research in Cardiac Resuscitation and Community Heart Health Awareness Projects.

Dear Member

Greetings from IMA HQs!

As you are aware, IMA has been consistently honouring its members for their exceptional dedication and contributions to the medical profession through the IMA National Awards during NATCON every year. These awards not only recognize the remarkable achievements of our fellow professionals but also serve as a source of inspiration and motivation to the entire medical community.

This is to inform you that to establish any new IMA National Award within IMA, it has been decided that a corpus fund of Rs. 5 Lacs (Rupees Five Lacs only) must be deposited at IMA Headquarters as Corpus Fund to ensure the sustainability and long-term viability of these new awards. This fund will be utilized to support the administration and execution of the newly instituted awards over the next 20 years.

With kind regards,

Yours sincerely,

Dr. Anilkumar J. Nayak
Honorary Secretary General

Copy to: National President, IMA

“LIVE LIFE, PASS IT ON” “Be a Hero, Be an Organ Donor” अंगदान, जीवन का महादान

- सभी उम्र के लोग अंग और देह दान कर सकते हैं
- एचआईवी, कैसर और सक्रिय टी.बी. रोगी दान नहीं कर सकते
- HBsAg और HCV मरीज अपने ही प्रकार के मरीजों को दान कर सकते हैं

- 500000 people die because of non-availability of organs.
- 200000 people die of liver disease.
- 50000 people die from heart disease.
- 150000 people await a kidney transplant but only 5000 get one.
- 1000000 people suffer corneal blindness and await transplant.
- In India 6000 people die every day waiting for organ transplant.
- Every 17 minutes someone die waiting for transplant.
- Every 13 minutes someone is added to a waiting list.

- 500000 लोग अंगों की अनुपलब्धता के कारण मर जाते हैं।
- 200000 लोग लीवर की बीमारी से मरते हैं।
- 50000 लोग हृदय रोग से मरते हैं।
- 150000 लोग किडनी ट्रांसप्लांट का इंतजार करते हैं लेकिन केवल 5000 को ही किडनी ट्रांसप्लांट मिल पाता है।
- 1000000 लोग कॉर्निया अंधापन से पीड़ित हैं और प्रत्यारोपण का इंतजार कर रहे हैं।
- भारत में हर दिन 6000 लोग अंग प्रत्यारोपण के इंतजार में मर जाते हैं।
- हर 17 मिनट में एक व्यक्ति प्रत्यारोपण के इंतजार में मर जाता है।
- हर 13 मिनट में किसी को प्रतीक्षा सूची में जोड़ा जाता है।
